WORK WITH ME · START HERE

Your career outran your LinkedIn. In two weeks, it catches up.

Known For First Look

Your story first. Then your LinkedIn and résumé, in your words.

2 weeks, with drafts and revisions

THE STRATEGY

- A conversation about where you're headed
- A one-page *Known For* Story draft: who you are, how you lead, where you're taking people

WHERE IT SHOWS UP

- Your LinkedIn, rewritten in your words, with the step-by-step playbook
- Your résumé, aligned to the role you want
- A walkthrough call, and a follow-up with action items

HOW IT RUNS

From your story to your Known For.

1. **We talk.** A 20-minute conversation. You tell me where you're headed and what's changing.
2. **Day one.** A readout, in writing, of where your story stands today.
3. **Your story, then where it shows up.** A one-page *Known For* Story draft, then your LinkedIn and résumé.
4. **You own it.** A walkthrough call, a follow-up with action items, and one page: before and after.

Homework: about an hour a week. Thinking, self-reflection, and the art of the possible.

WHAT YOU LEAVE WITH

- **You leave knowing who you are as a leader**, where you're taking people, and what you're known for. Written down, in your words.
- **You leave with your LinkedIn**, rewritten in your words, and the playbook to keep it current.
- **You leave with your résumé**, aligned to the role you want.
