FOR COMPANIES

Your leadership team. One story, online and in the boardroom.

CEOs, CHROs and VPs of Leadership & Executive Development Programs bring me in.

AT A GLANCE

WHAT IT IS

Known For Live, on-site with your whole leadership team. Or Sponsor one leader.

TIME

Known For Live: half day to multi-day. Sponsor one leader: 3, 6 or 12 months.

INVESTMENT

Investment will be shared in our 20-minute conversation.

WHAT YOU GET

A private 1:1 for every leader, and the *Known For* Scorecard.

WHY NOW

Stakeholders are searching either way. Waiting doesn't pause that. It only decides what they find.

10%

Just 10% of board directors say the new CEO is already fully connected to and trusted by the board.

Korn Ferry, CEO & Board Survey, July 2026

<⅓

Less than a third of executives at VP level and above who joined new companies said they had received any meaningful support for their transitions.

Egon Zehnder, in Harvard Business Review, 2017

76%

of institutional investors would be likely to assign a valuation premium to a company led by a highly trusted and credible executive team.

FTI Consulting, Executive Reputation, Sept 2026

ON-SITE

Known For Live

On-site, with your whole leadership team. I work with the whole room, then sit with every leader one to one.

- Annual kickoffs, leadership summits, board retreats
- Half day to multi-day
- A private 1:1 for every leader

ONE LEADER

Sponsor one leader

When a company invests in one of its leaders. I answer to two people: your leader, and you.

- Their *Known For* Story, their LinkedIn and their ExecutiveOS
- *Known For* Executive, for 3, 6 or 12 months
- You get the *Known For* Scorecard

THE *KNOWN FOR* SCORECARD

Progress you can count, before and after.

1. Can they say it?
2. Do their people hear the same story?
3. Are they showing up differently?
4. The outcomes you named.

Taken on day one, at the midpoint and at the end. You see counts and averages. Never names, never quotes.
