FOR ENTERPRISE & EXECUTIVE TEAMS

Every leader's story. Aligned to the enterprise vision.

Your executives command the room offline. Their public, market-facing presence should match that caliber.

AT A GLANCE

WHAT IT IS

Known For Leadership Collective. One engagement: *Known For* Live with the full group, then 1:1 sessions with each executive.

TIME

30 to 90 days, based on the size of the bench. On-site or virtual.

INVESTMENT

Investment will be shared in our 20-minute conversation.

WHAT YOU GET

Every executive's narrative, The Unified Enterprise Narrative Framework, your Leadership Hub, ExecutiveOS and the Scorecard.

WHY NOW

Stakeholders are searching either way. Waiting doesn't pause that. It only decides what they find.

FOR THE BENCH · THE ENGAGEMENT

Known For Leadership Collective

Begins with *Known For* Live, an intensive alignment session with the full leadership group. Then structured 1:1 advisory sessions with each executive to build, test, and codify their narrative.

- Executive committees, leadership summits, ELT offsites, board retreats. On-site or virtual.
- The full bench, or your own: a CHRO brings me in for their VPs, a CEO for the executive committee

Known For Live: an executive alignment intensive, on-site or virtual. It opens the Collective, or runs on its own.

DELIVERABLES

What the bench leaves with.

- Individual Executive Narrative Architecture
- Calibrated Market Presence & Digital Standards
- The Unified Enterprise Narrative Framework
- The Enterprise Leadership Hub
- ExecutiveOS Operational AI Cadence
- The *Known For* Scorecard for ongoing presence measurement

THE *KNOWN FOR* SCORECARD

Measured from day one to final calibration.

1. Narrative command
2. Perception alignment
3. Behavioral attribution
4. Target strategic outcomes

Day one (baseline), midpoint, final calibration. Aggregated data, never names.

FOR THE SUCCESSOR
