THE 6-MONTH RETAINED ADVISORY

Your digital authority finally matches the executive in the boardroom.

Known For Executive

AT A GLANCE

WHAT IT IS

A comprehensive retained partnership that anchors your strategic narrative, deploys private AI leverage, and stays beside you as the room changes.

TIME

A 6-month retainer, opening with a 30-day foundation sprint. 1 to 2 hours a month of focused strategic dialogue, depending on your needs.

INVESTMENT

Investment will be shared in our 20-minute conversation.

WHAT YOU GET

Your *Known For* Story, your executive collateral, your own site and your ExecutiveOS.

WHY NOW

Stakeholders are searching either way. Waiting doesn't pause that. It only decides what they find.

01 THE STRATEGIC FOUNDATION · FIRST 30 DAYS

- **Narrative Diagnostic:** a day-one strategic audit of the gap between your real enterprise impact and current market perception.
- **The *Known For* Architecture:** your operational thesis, leadership convictions and the domain you own, in a written readout.
- **Executive Surface Deployment:** your LinkedIn and executive narrative in your authentic voice; your institutional bio, board bio, executive résumé and board-ready dossier; keynote bios tailored to your talk; your executive banner, one-pager and deck; your own domain.

02 THE ONGOING ADVISORY · MONTHS 2 TO 6

- Strategic room prep for board appearances, investor meetings and town halls
- A confidential sounding board
- Elastic pacing: we accelerate or pause
- The executive readout, measured from day one to final calibration

03 EXECUTIVEOS

Private agentic workflows inside your company's approved tools (Copilot, Claude, Gemini or ChatGPT), calibrated to your voice, with hands-on AI coaching for your day to day.

1 to 2 hours a month of focused strategic dialogue. Between sessions, narrative calibration by message when a critical room comes up. The drafting, synthesis and AI builds happen on my side.

WHAT YOU LEAVE WITH

- **You leave knowing who you are as a leader**, written down, in your words, and said out loud in the room it's for.
- **You leave with your ExecutiveOS**, and an advisor who stays by your side.
- **You leave with your name online matching the person who walks in**: your LinkedIn, your own site, your one-pager and your deck.

A 30-day foundation sprint builds the baseline. Then the retained advisory carries it into every room that follows.
