

Known For Accelerator

For executives who need it done, and done well. 1 to 2 weeks, start to finish.

FIVE STEPS, AND YOUR PART IN EACH

Days 1-2	The consult	30 minutes. What's changing, and your deadline.	You: Reflection questions
Days 3-4	The deep dive	60 minutes. Your whole story, start to now.	You: Your materials; ask 3 to 5 people what they count on you for
Days 5-7	Three directions	Three design directions and a first draft of your <i>Known For</i> .	You: Pick one, mark up the draft
Days 8-10	Drafts	LinkedIn and templates, refined together.	You: Read it out loud, approve
By day 14	Your bundle	Everything in one bundle, every login in your name.	You: Go live, report back

Have these ready

- ✓ Current résumé
- ✓ LinkedIn login (or we find it together)
- ✓ Anything you've written or presented
- ✓ 3 to 5 people to answer one question
- ✓ Your deadline

What keeps it fast

Homework back before the deep dive. One person gives design feedback.

What you walk away with

- ✓ *Known For* Story, in your words
- ✓ *Known For* LinkedIn, in your voice
- ✓ *Known For* Search, before and after
- ✓ *Known For* Look: banner, one-pagers, decks
- ✓ Every login in your name

What slows it down

Editing by committee. Reopening a direction you picked.

Close the *gap*.
