THE ENTRY SPRINT

Your career outran your LinkedIn. In two weeks, it catches up.

Known For First Look

AT A GLANCE

WHAT IT IS

Your story first. Then your LinkedIn and résumé, in your words.

TIME

2 weeks, with drafts and revisions. Async: about an hour a week.

INVESTMENT

Investment will be shared in our 20-minute conversation.

WHAT YOU GET

A one-page *Known For* Story draft, your LinkedIn rewritten in your words, and your résumé.

WHY NOW

Stakeholders are searching either way. Waiting doesn't pause that. It only decides what they find.

THE STRATEGY

- A conversation about where you're headed
- A one-page *Known For* Story draft: who you are, how you lead, where you're taking people

WHERE IT SHOWS UP

- Your LinkedIn, rewritten in your words, with the step-by-step playbook
- Your résumé, aligned to the role you want
- A walkthrough call, and a follow-up with action items

HOW IT RUNS

From your story to your Known For.

1. **We talk.** A 20-minute conversation.
2. **We dig.** The questions nobody else asks. A day one readout, in writing.
3. **Your *Known For*.** A one-page *Known For* Story draft: who you are, how you lead, where you're taking people.
4. **Where it shows up.** Your LinkedIn, rewritten in your words, and your résumé.
5. **You own it.** A walkthrough call, a follow-up with action items, and one page: before and after.

WHAT YOU LEAVE WITH

- **You leave knowing who you are as a leader**, where you're taking people, and what you're known for. Written down, in your words.
- **You leave with your résumé**, aligned to the role you want.
- **You leave with your LinkedIn**, rewritten in your words, and the playbook to keep it current.

The smallest way to start. And the part everything else is built on.

IN EVERY PROGRAM

- Drafts and revisions
- Your résumé
- Hands-on AI automation and coaching for your day to day

Angela Gallitano · The Gallitano Studio

One of three leaders of LinkedIn's global Rock Your Profile program. Then Gartner, working with CHROs, CIOs and their executive teams. Today, Salesforce Enterprise AI. I build with agentic AI daily, and I teach leaders to do the same. 350+ rooms since 2020. 125+ executives one to one. Every engagement is strictly guarded.
