THE 2-WEEK STRATEGIC NARRATIVE SPRINT

Your career outran your public presence. In two weeks, we align them.

Known For First Look

AT A GLANCE

WHAT IT IS

For an immediate inflection point: a board search, an unannounced transition, or an enterprise recruitment cycle.

TIME

Two weeks: a tailored intake, a 60-minute extraction session, the build, a 30-minute readout and 15-minute final calibration sessions.

INVESTMENT

$4,500, one fixed fee. The full fee is credited toward Known For Executive within 90 days.

WHAT YOU GET

Your *Known For* Leadership Thesis, your Executive Dossier (LinkedIn, executive bio and résumé) and the Calibration readout.

WHY NOW

Stakeholders are searching either way. Waiting doesn't pause that. It only decides what they find.

THE STRATEGY

- **The Narrative Diagnostic:** We establish your core leadership thesis: who you are, how you operate, and the specific domain you own.
- **The Calibration:** A private readout analyzing where your market perception stands today versus where your next seat requires it to be.

WHERE IT SHOWS UP

- **The Executive Dossier:** Complete narrative reconstruction of your LinkedIn, executive bio and résumé, in your authentic voice.

THE SCOPE

Your LinkedIn and your bio are collateral. The work is narrative architecture and category ownership.

1. **Narrative Diagnostic.**
   The baseline. Auditing the gap between your real institutional impact and your current digital footprint.
2. **The *Known For* Architecture.**
   Articulating your operational thesis, leadership convictions, and category ownership.
3. **Where it shows up.**
   A full narrative rewrite of your LinkedIn, executive bio and executive résumé, in your authentic voice.

WHAT YOU LEAVE WITH

- **Your *Known For* Leadership Thesis**: one page, in plain words, on how you lead and the ground you own.
- **The Calibration readout**: a clear diagnostic of where your market perception stands today, and what it takes to own your next room.
- **Your Executive Dossier**: complete, calibrated rewrites of your LinkedIn presence, executive bio, and résumé aligned to your next seat.

The foundational sprint. The strategic baseline every future room builds on.
