THE FULL METHOD

Your digital self finally matches the executive in the boardroom.

Known For Executive

AT A GLANCE

WHAT IT IS

The full method, and prep for the room it's all for.

TIME

A 6-month retainer. It opens with 30 days of the Accelerator. Async: about an hour a week.

INVESTMENT

Investment will be shared in our 20-minute conversation.

WHAT YOU GET

Your *Known For* Story, your LinkedIn and Look, your own website and your ExecutiveOS.

WHY NOW

Stakeholders are searching either way. Waiting doesn't pause that. It only decides what they find.

THE STRATEGY

- Your *Known For* Story, at full depth, with your three core convictions
- Prep for the room: the board interview, the investor meeting, the first town hall, the keynote
- Check-ins along the way, and an advisor who stays by your side

WHERE IT SHOWS UP

- Your LinkedIn and your Look: banner, one-pager and deck
- Your own website, on your own domain
- Your ExecutiveOS, built for you inside your approved AI tools

HOW IT RUNS

From your story to your Known For.

1. **We talk.** A 20-minute conversation.
2. **We dig.** Your whole story, start to now. A day one readout, in writing.
3. **Your *Known For*.** Who you are, how you lead, where you're taking people, and your three core convictions.
4. **Where it shows up.** LinkedIn, Look, your own website and your ExecutiveOS. Then prep for the room.
5. **You own it.** Every word is yours. Every login in your name.

WHAT YOU LEAVE WITH

- **You leave knowing who you are as a leader**, written down, in your words, and said out loud in the room it's for.
- **You leave with your ExecutiveOS**, and an advisor who stays by your side.
- **You leave with your name online matching the person who walks in**: your LinkedIn, your own site, your one-pager and your deck.

The first 30 days are the Accelerator: your story, your LinkedIn and your Look. Then the retainer carries it into every room that follows.

IN EVERY PROGRAM • Drafts and revisions • Your résumé • Hands-on AI automation and coaching for your day to day
