WORK WITH ME · THE FULL METHOD

Your digital self finally matches the executive in the boardroom.

Known For Executive

The full method, and prep for the room it's all for.

6 to 12 months, or built around what you need

THE STRATEGY

- Your *Known For* Story, at full depth
- Prep for the room: the board interview, the investor meeting, the first town hall, the keynote
- Check-ins along the way, and an advisor who's still here

WHERE IT SHOWS UP

- Your LinkedIn and your Look
- Your own website, on your own domain
- Your ExecutiveOS: built for you inside your approved AI tools, so it knows your story, your voice and your work

HOW IT RUNS

From your story to your Known For.

1. **We talk.** A 20-minute conversation.
2. **We dig.** Your whole story, start to now. The questions nobody else asks.
3. **Your *Known For*.** Who you are, how you lead, where you're taking people, and your three core convictions.
4. **Where it shows up.** LinkedIn, Look, your own website and your ExecutiveOS. Then prep for the room.
5. **You own it.** Every word is yours. Every login in your name.

Homework: about an hour a week. Thinking, self-reflection, and the art of the possible.

WHAT YOU LEAVE WITH

- **You leave knowing who you are as a leader**, written down, in your words, and said out loud in the room it's for.
- **You leave with your name online matching the person who walks in**: your LinkedIn, your own site, your one-pager and your deck.
- **You leave with your ExecutiveOS.** You set the direction. It does the first pass.
- **You leave with an advisor who's still here.**

Busy quarter? We pause. Big interview in ten days? We speed up, or move up a level, and nothing you've done is lost.
